

GEORGINA

RECREATION AT HOME

No Sew Sock Bunny

Materials Needed:

- Scissors
- Rice for stuffing (or an alternative of your choice)
- Twine or string
- Ribbon
- A marker

Instructions:

Step 1

Fill a sock with rice up to the beginning of the heel.
(The sock needs to be able to stand vertically on its own when stuffed).

Step 2

Form a “pear” shape with more stuffing at the bottom than top. About 2/3 of the way up the stuffed area pinch to push the stuffing up into the heel and form the separate head and body parts.

(The ankle of the sock above the “head” will be used to form the ears).

Step 3

Tie off the sock immediately above the stuffing that forms the head using twine or string. This distinguishes the ears from the head. Ensure you tie it off tightly & securely as this will keep the stuffing in the sock.

Step 4

Using another piece of twine or string, tie off the neck of the rabbit between the head and the body.

Step 5

With the heel (which will become the face) facing toward you, cut down the centre of the ankle of the sock to form the ears. Shape these as you wish by trimming material from the ankle – long and floppy, short and oval, whatever you choose.

Step 6

Give your sock bunny eyes and a mouth with the marker.

Step 7

Add a ribbon around your bunny’s neck, tying a bow to one side & your bunny is complete.

Extras

You could also add a tail by pinching & tying off a small section at the back with more twine.
