

# RECREATION AT HOME

## Snow Paint Structures

### Materials Needed:

- Snow
- Food colouring
- Water
- Spray bottle

Use this simple recipe to create your own snow paint in as many colours as you want! Build the ultimate snow fort and add some colour to your snow structure or make your own snow mural!

**Ages: 3+**

### Instructions:

1. Add 10 drops of food colouring (depending on how bold of a colour you would like) to a spray bottle full of room temperature water.
2. Spray desired areas with your snow paint and let your creativity flow.
