

CONSTRUCTION NOTICE

May 14, 2020

Road Reconstruction and Improvements

Contract No. OID2019-029

Dear resident,

Please be advised the Town of Georgina will begin road and drainage rehabilitation work in your area. The contractor for this work will be *IPAC Paving Ltd.* In 2019, the water services within the road were installed on Church Street. 2020 will see this project completed.

The Town has retained Greer Galloway Group Inc. to oversee the project and provide on-site services.

Church Street

- Water services have been replaced from main to curb stop at property line.
- Existing road and drainage to be maintained similar to existing.
- The ditch and culvert drainage on the north side of the road will be maintained.
- The sidewalk will be replaced with the addition of a concrete curb and gutter added on the south side.
- Granular base and asphalt will be replaced.

Shoreline Place

- Existing road and drainage to be maintained similar to existing.
- Road grades will be adjusted to allow surface water to drain across the road to the existing ditch and culvert drainage system on the north side.
- Granular base and asphalt will be replaced.

Shorecrest Road

- Existing road and drainage to be maintained similar to existing.
- No change to roadside drainage is planned.
- Granular base and asphalt will be replaced.

Schedule: Our contractor will be starting construction during the week of May 25, 2020.

COVID-19: According to the Ministry of Labour guidelines, IPAC Paving as the constructor has control over the work site. The Town, Greer Galloway and IPAC Paving have all agreed that completing this project is possible while maintaining physical distancing and modified construction practices to keep everyone safe.

The work will require the roads to be closed for short periods of time, but local and emergency access will be maintained. If you have any questions, contact Bryson Bennett of the Greer Galloway Group at 613-966-3068, ext. 327.
