## Fire and Rescue Services

Did you know the three leading causes of fire in Georgina are smoking, electrical and cooking? Be the solution – practise fire safety.

If you smoke, do it outside and not in the garage. Discarded cigarette butts can smolder for hours. Always make sure you completely extinguish them before throwing them away.

Frayed, nicked or pinched electrical cords are a fire hazard. Inspect your cords to ensure the insulation is not damaged. Overloaded electrical outlets can lead to a fire.

Always stay in the kitchen when cooking – unattended cooking can cause fires. For more fire safety information, visit [georgina.ca/fire](http://georgina.ca/fire).

## Beaches and waterfront parks

Are you planning to visit one of Georgina's beaches and waterfront parks? A few things to remember. Barbeques or other cooking devices are not allowed on the beach or in the parks. Please don't litter and dispose of garbage in the waste receptacles. Parking lots are available to resident parking pass holders and visitors. A valid parking ticket from a pay-and-display machine must be displayed by visitors. By-law officers will be patrolling the area for illegally parked vehicles.
