

Community Services Department

The Community Services Department is committed to building a healthy community and promoting active lifestyles. Our goal is to provide affordable and accessible recreation and culture opportunities and experiences for all Georgina residents, ensuring that all recreation, parks and facilities are multi-use, multi-generational, accessible, inviting and responsive to the community's needs.

As the Town of Georgina continues to grow, staff are committed to updating existing municipal parks and facilities, and developing and building new ones with our residents needs in mind.

Following two years of significant and profound impacts to our services as a result of the COVID-19 pandemic, restrictions finally began to ease and a return to normalcy set in. Staff continued to realign and redefine our operations, programs and service delivery strategies to ensure our residents continue to have ample recreation and cultural opportunities to enjoy.

2022 Success Story

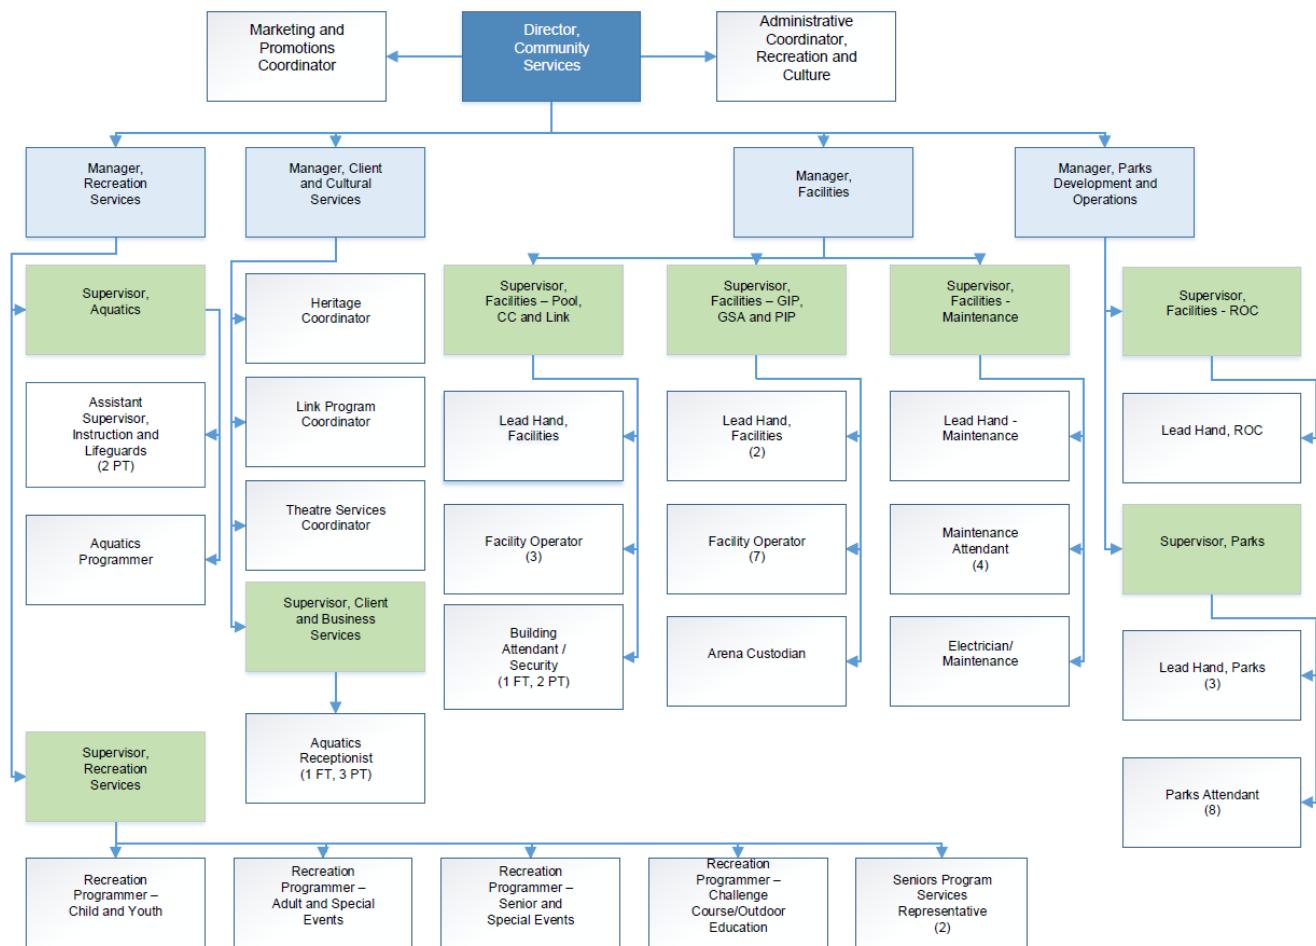

The new Multi-use Recreation Complex (MURC) is taking shape in south end Keswick at the corner of Woodbine Avenue and the future Garrett Styles Drive. Construction is well underway and we look forward with anticipation of the official ribbon cutting and opening. The MURC will serve the needs of the residents of Georgina and surrounding area for many decades.

COMMUNITY SERVICES DEPARTMENT

2022 also marked the completion of the Georgina Pioneer Village Schoolhouse Project, the commencement of development of the Pefferlaw Lions Park and the Uptown Keswick Urban Parkette, and completion of Phase 2 of the Waterfront Parks Strategic Master Plan.
