Sort the Items

Directions: Use the 'What Goes Where' search tool on the Recycle Coach Mobile App to sort these items correctly. Draw a line from each item to the correct bin.

Cut and Paste Puzzle

Directions: Cut along the dotted lines then organize the puzzle into the correct image to see what you could do to help the Earth. Paste it onto a piece of scrap paper. Finish by coloring in the picture when the glue dries.

Reducing plastic waste helps keep plastic out of the oceans

Maze

Directions: Can you get the aluminum can through the maze and to the recycling bin? If you've reached a garbage bag, you've gone the wrong way!

Connect the Dots

Directions: Connect the dots to complete the image. Then color it in.

For every ton of paper recycled, 17 trees, 7,000 gallons of water, and 4,000 kilowatts of energy are saved.

What Doesn't Belong

Directions: Circle the item that doesn't belong in each series. Look the items up in the 'What Goes Where' search tool to see if they are recyclable in your area. Then color in the items that are recyclable.

T-Shirt Reusable Bag

Be your own textile recycler
while cutting down on plastic waste!

First cut the arms off of an old T-shirt. Then cut the neck hole wider

Then cut 2-3" slits about 1" apart across the bottom of the shirt.

Double knot the strips from the front and back of the shirt together. If you don't want visible fringe, turn the shirt inside out before tying.

Use your new reusable bag for your shopping trips!
