Subject: Countryside Zoning By-law

Location: Town of Georgina Countryside – see key map.

The Town of Georgina is undertaking a planning process to bring the Town's Zoning By-law into conformity with the policies, permitted uses and land use designations of the Town's Official Plan. This includes a proposed zoning by-law amendment (ZBA) that would remove the Countryside Area from Zoning By-law No. 500 and a new zoning by-law for the Countryside Area. An enabling official plan amendment (OPA) is also proposed that would amend Section 8.1.12 of the Official Plan to permit an additional residential unit in a detached building on the same lot as a single detached dwelling irrespective of whether the single detached dwelling contains an additional residential unit. The purpose of the public open house is to provide an informal setting for the project team to provide information on key topics and for members of the public to ask questions on the proposed Countryside Zoning By-law and related process. The purpose of the public meeting is to present the proposed Countryside Zoning By-law to Council and the public in order to receive comments and feedback. A key map is provided below showing the Countryside Area. The proposed official plan amendment, zoning by-law amendment and zoning by-law are available for review at georgina.ca/ZoningBylawUpdate. Town Files: 03.05BT (ZBA) 02.202 (OPA). Contact: Tolek Makarewicz, Senior Policy Planner at 905-476-4301, ext. 2297 or tmakarewicz@georgina.ca. Reference the file number(s) in all communications.
