Load restrictions on Town roads March 1 to May 15

Every spring, between March 1 and May 15, there is a load restriction to five tons per axle on Town roads. The reason for the load restriction is that with the warmer weather, the roads become soft, and vehicles travelling with loads larger than the limit could potentially cause damage. For more information, call 905-476-4301 or visit georgina.ca/roads.
