

Old Shiloh Bridge Assessment Municipal Class Environmental Assessment Study Notice of Public Information Centre

Background

The Town of Georgina has retained Tatham Engineering Limited to complete a Municipal Class Environmental Assessment (Class EA Study) under the Environmental Assessment Act (R.S.O. 1990, c. E.18) to determine the preferred method of improvement to Old Shiloh Bridge East. The goal is to determine the recommended alternative for the future of the structure and alternatives for the water crossing at Old Shiloh Road. The bridge is located on Old Shiloh Road approximately 750 m west of Victoria Road, in the Hamlet of Udora.

Study Process

The Town is proceeding with a Schedule B Municipal Class Environmental Assessment (EA) to consider the impacts associated with the proposed project. Alternatives being considered include:

- Do nothing
- Rehabilitate the existing bridge.
- Remove and replace existing bridge.
- Construct a new bridge adjacent to the existing bridge.

Purpose of Notice

Members of the public, agencies, Indigenous communities and other interested persons are invited to provide input via a Public Information Centre (PIC) to be held on **Wednesday, May 17, 2023** from **5:00pm to 7:00pm** at the **Udora Community Hall, 24 Victoria Road, Udora, Georgina**. The purpose of the PIC is to present the study, the development and assessment of improvement options, and identify the recommended solution. Following completion of the PIC and in consideration of concerns raised through agency reviews and public comment, the preferred solution will be identified for further study.

Project Contacts

If you would like to be added to or removed from our project mailing list or have project-related questions, contact the Town and/or consultant as noted below:
