

# Building GEORGINA Update

There are a number of exciting projects underway throughout our community. From a new skate park and pump track in Pefferlaw to the revitalized Uptown Keswick Parkette and the new Community Garden. These are just some of the projects that are helping to bring our community together, enhance public spaces and celebrate our collaborative efforts of Building Georgina. Here is a look at some exciting initiatives.

## Uptown Keswick Parkette – Official ribbon cutting June 25, 2023

It's the perfect spot to sit and enjoy a coffee, cone or a local musician. The revitalization is complete. Located at 2 the Queensway S., the parkette features a new multi-purpose shelter with power to support community events and performances, accessible seating, a hardscape gathering space, a public art installation celebrating indigenous culture, and more to beautify the space. Come and enjoy!

## Pefferlaw Pump Track and Skatepark – Get involved!

We are creating a new combined pump track and skatepark in Pefferlaw. The proposed location is between the Pefferlaw Ice Pad and the playground facilities. We are working with a design-builder and the community to ensure a range of skill-level features are included. Public feedback is key so be sure to watch for opportunities. Estimated opening of the skatepark and pump track is October 2024.

MURC - June 2023

## MURC – Opening early 2024

You can see daily progress being made on the new Multi-use Recreation Complex. Construction is on track and it's anticipated to open to the public in early 2024.

Located on the west side of Woodbine Avenue between Glenwoods Avenue and Ravenshoe Road, the MURC includes –

- A six-lane 25-metre pool
- Therapy pool
- Leisure pool
- Double gymnasium
- Indoor walking track
- Multi-use meeting/activity rooms
- Active living space
- Discovery Library branch

Watch for opening celebrations early 2024!

Pool at the MURC

Community garden

## Community Garden – Now open!

Green thumb anyone? The Town partnered with the Georgina Brock Garden Club to create the new Pefferlaw Community Garden. It includes a new pathway, an at-grade garden plot, six raised cedar garden beds of varying heights, a storage shed, a compost, an accessible picnic table/workbench and two dwarf apple trees. Happy gardening.

Sports Zone Pickleball court

## Pefferlaw Sports Zone – Now open!

Do you like to play pickleball? Maybe some basketball? Then the new Pefferlaw Sports Zone is the place for you. Utilizing the Pefferlaw Ice Pad for the spring, summer and fall seasons, the new Sports Zone includes –

- Colourful athletic tile flooring
- One outdoor basketball court, two dedicated pickleball courts and one multi-purpose court for pickleball or short-court tennis (not regulation, shorter in length)
- Facility divider curtains allow uninterrupted play between courts

Sports Zone equipment will be removed by staff seasonally for it to be used as an ice pad and skating rink each winter.
