Georgina Pioneer Village and Archives (GPVA) is creating a strategy to digitize the GPVA heritage collections. It is seeking input from the community. Lake Drive Road Functional Assessment

The Town is looking to address potential challenges as it relates to visibility and people sharing the road whether you're in a car, on foot or cycling. We need your help to do that. We are doing a study that focuses on the existing edge-to-edge pavement configuration and will not recommend any widening or additional infrastructure beyond the existing paved surface of the roadway. It is important to note this is not related to the Lake Drive Shoreline Action Plan, which seeks to resolve complex shoreline title issues along Lake Drive that involve the Town and Lake Drive residents.

There are a few different engagement opportunities available:

Virtual zoom sessions

- Tues. Aug. 15, 6 p.m. - 8 p.m.
- Wed. Aug 17, 6 p.m. - 8 p.m.

In-person sessions, Aug. 20

- Willow Beach, 10 a.m. to noon
- De La Salle Park, 1 p.m. to 3 p.m.
