

**Town of Georgina – Community Services**  
**Cardboard Toboggan Races**  
**Rules & Regulations**

**Sled check-in time:** 12:00pm – 1:00pm

**\*\*All sleds must be checked in prior to 1:00pm in order to compete in the race or be judged for any awards. (This would include a submitted registration form along with signed waiver release form for all participants). Note: all sleds must pass inspection prior to being judged or allowed to race).**

**Judging for sled design awards:** Ongoing

Awards judged at this time are:

- Largest Sled Award
- Most Creatively Designed Sled Award

**Cardboard sled races:** 1:00pm – approx. 3:00pm

Awards judged at this time are:

- Farthest Travelled Sled Award (calculated by measurement)
- Fastest Travelled Sled Award (calculated for Electronic Speed Determiner)
- “ROC” Bottom Award (Participation Award)

**Participant and team information**

1. This event is open to participants of all ages.
2. Team entries may be made as an individual or as a team of 1-2 people.
3. All participants must wear a CSA approved ski helmet during the race (helmets are available for rental at the ROC Chalet).
4. All participants must submit a registration form and signed waiver form (for children under the age of 18, they must have parental consent).
5. Costumes and themes are encouraged.

**Toboggan/sled regulations:**

Sled must pass inspection in order to be allowed on the hill.

**Acceptable sled frame materials include the following:**

| ✓ Paint            | ✓ Some Glues   |
| ✓ Wax              | ✓ Any material that does not compromise the safety of the participants or the integrity of the hill (accepted by the inspectors prior to event). |
| ✓ Tin foil         |  |
| ✓ Plastic sheeting |  |
| ✓ Shower curtain   |  |
| ✓ Zip Ties         |  |
| ✓ Garbage bags     |  |

GEORGINA

**Materials not acceptable to use include the following;**

\*If you are unable to remove such objects from your sled, you will not be allowed to race.

- ✘ **No** hardware is permitted (wood, hard plastic, metal, screws, piping, etc.)
- ✘ Traditional sleds may **not** be attached (i.e. crazy carpets, GT's, saucers, etc.)
- ✘ Your sled must be free of sharp edges, pointed objects or any other feature that may be deemed dangerous by the inspectors.
- ✘ You may **not** use: tar-based substance; epoxy glue; fibre-glass resin; two-part varnishes or any other two-part substance; or glues that harden into solids that may be deemed dangerous or may potentially leave hazardous debris on the hill.
- ✘ You may **not** use screws or material; mechanical fasteners; nails; staples; or any other means of holding your sled together that may be deemed dangerous or may potentially leave hazardous debris on the hill.

**Competition and judging regulations:**

- Awards will be given out in the following 5 categories:
  - Farthest Travelled Sled Award
  - Fastest Travelled Sled Award
  - Largest Sled Award
  - Most Creatively Designed Sled Award
  - "ROC" Bottom Award (Constellation Prize)
- During the downhill portion, one team member may push their toboggan (maximum of 4 steps) before the starting line and must be in their sled with all other team mates prior to the back of the sled crossing the starting line.
- All riders must stay completely inside of their sled at all times during the race.
