Thank you for your interest in becoming a pet foster parent. The following questionnaire will help us determine what pets will be suitable for your home and lifestyle.

1. To begin, tell us why you are interested in fostering for the Georgina Animal Shelter and Adoption Centre?
2. Are your pets spayed or neutered?
3. Are your pets up to date on vaccinations?
4. Do your pets have any medical or behavioural concerns that we should be aware of?
5. Do we have your permission to contact your veterinarian for a reference?
6. If yes, provide the name and contact information for your veterinarian:
7. Foster pets require a quiet, low stress environment. Is this something that you will be able to provide in your home?
8. If yes, please describe the area in your home

9. Will you be able to provide an isolated housing area that is separate from other pets?

10. What type of pets are you interested in fostering? Check all that apply.

Cats:

- Pregnant queens
- Nursing queens and kittens
- Orphaned kittens requiring bottle feeding
- Socializing kittens or adult cats
- Older kittens awaiting spay/neuter surgery
- Special needs cats/kittens
- Cats recovering from surgery
- Senior cats

Dogs:

- Pregnant dogs
- Nursing dogs and puppies
- Orphaned puppies requiring bottle feeding
- Older litters of puppies awaiting spay/neuter surgery
- Dogs recovering from surgery
- Dogs requiring socialization / training
- Puppies requiring socialization / training
- Seniors dogs
- Special needs dogs or puppies

11. Do you have children living in the home? If yes, what ages?

12. If children live in the home, describe their pet experience:

13. Describe your foster pet parent experience:

14. Are you willing to bring your foster pet(s) to veterinary or other appointments as scheduled by the shelter? (Typically M-F during business hours)

15. What organizations, if any, have you fostered for?

The Georgina Animal Shelter provides all fostering pet parent supplies including medication if required. If you have a medical concern with your foster pet during regular shelter operating hours, contact the shelter at 1-800-898-8606 (press 4 to be connected with a shelter team member). You can also email the shelter animal-control@georgina.ca. In the event of an after-hours emergency (after 5:30 p.m. Monday to Friday and 5 p.m. on Saturday/Sunday), call the 404 Veterinary Emergency and Referral Hospital at 905-953-1933. The hospital is located in Newmarket at 510 Harry Walker Pkwy S. The emergency hospital will triage the situation and direct you on how to proceed.

Unauthorized veterinary appointments will be the responsibility of the foster parent.

I have read and understood the above information.
