

# GEORGINA

April 15, 2025

## Notice of construction Polybutylene water service replacements

The Town of Georgina is undertaking the replacement of the existing water services on Lake Drive South from Ravenshoe Road to Bayview Avenue as shown in the map below. The work includes the replacement of the existing underground polybutylene (plastic piping) water service connection pipes with copper. The replacement pipes will run from the water main to each home's water valve located near the property line.

### What can you expect?

- Construction timeline: This construction work is anticipated to start late April 2025 and expected to be completed by July 2025.
- Work hours: Construction hours will be from 7 a.m. to 8 p.m. Monday to Friday, with occasional work after hours and on weekends as required.
- Contractor storage areas: The contractor will have various storage areas along Lake Drive North as they complete the work. The contractor will also store equipment in the west parking lot at West Park.
- Road access: Temporary lane closures may be required in order to complete the project. Access for local residents and emergency services vehicles will be maintained throughout the duration of construction.
- Water service disruptions: Temporary water shut offs will be required to switch to the new water service. You will be contacted 48 hours in advance of your water being shut off.
- Driveway access: Driveways may be temporarily blocked during construction. You will be notified in advance if your driveway will be blocked.
- Collection of garbage from homes within the road closure area will be provided by the construction contractor.
- Restoration: The work area (including driveways, grass, roads and curbs) will be restored to existing conditions at completion of the work.

Thank you for your patience as we complete this important construction project. If you have questions about the upcoming work, contact the below or visit: [georgina.ca/PolyB](https://www.georgina.ca/PolyB).
