| ☐ Yes ☐ No                                                                              |                                   |
| With respect to an application for approval of a Draft Plan of Subdivision or           |                                   |
| Condominium,                                                                            |                                   |
| I hereby request to be notified of Council's Decision regarding the Approval or         |                                   |
| Refusal of the application                                                              |                                   |
| $\square_{\mathcal{V}}$ $\square_{\mathcal{V}}$                                         |                                   |
| ☐ Yes ☐ No                                                                              |                                   |
| I hereby request to be notified of any changes to the Conditions of Approval of         |                                   |
| the Plan of Subdivision (ie. the Draft Plan Approval Conditions)                        |                                   |
| ☐ Yes ☐ No                                                                              |                                   |
| Requestor information                                                                   |                                   |
| Name:                                                                                   |                                   |
| Street address:                                                                         |                                   |
| City/town:                                                                              | Postal code:                      |
| Phone number:                                                                           | Email:                            |
| Signature:                                                                              | Date:                             |

## **Public meetings**

Procedure for conducting public meetings regarding planning matters:

### 1. Presentation

- a. Developer reports on the project and/or concept
- b. Staff reports
- c. Comments and questions from the public

## 2. Reply

- a. Developer responds to specific concerns put forth
- b. Council puts questions to the staff, the developer and the public for clarification of specific matters
- c. Public responds to points clarification by the council, concessions given by the developer and amendments suggested by the staff

#### 3. Council debate

a. Councillors participate in a round-table discussion, directing technical questions to appropriate staff for reply

### 4. Recommendations

a. Council decides to adopt, amend, refuse or defer the application with conditions.
