Georgina Town Council Sept. 24

Petition from the community of Riverside Drive and Easy Street, Pefferlaw, requesting implementation of traffic calming measures

Council received the petition from the community of Riverside Drive and Easy Street in Pefferlaw, requesting implementation of traffic calming measures. Council directed staff to reduce the speed limit to 30 km/hr and bring an amended bylaw back to Council on Oct. 8. Council also directed staff to look into a pilot project for seasonal speed bumps on the streets and come back with a briefing note. Staff were also directed to reach out to York Regional Police for additional enforcement in the area.

Verbal report from staff providing an update on the Georgina Civic Centre

Council received the verbal report regarding an update on the Georgina Civic Centre. Construction of the replacement Civic Centre is progressing well, with brickwork expected to be completed in the next week or two, and fill material scheduled for early October. Interior work is well underway, including drywall, painting, flooring, lighting and sprinkler installation. Over the past year, staff have been preparing for the transition to the new building through file digitization, cleanup efforts, and new policies, where required, to aid staff in working in open environment. The project remains on budget and on track with the move into the replacement Civic Centre occurring in Q1. Demolition of the current building and landscape work is planned for late Q1, through Q2.

Lake Drive Shoreline Action Plan – project update

Council received the report regarding a project update on the Lake Drive Shoreline Action Plan. Council delegated authority to the Town solicitor to execute shoreline land sale agreements with eligible property owners on the Town's behalf at such time as parcels are confirmed for transfer and cleared by the Land Registry Office. Council approved the allocation of funding from the Tax Rate Stabilization Reserve for the additional survey works and directed the Treasurer to reallocate the previously approved \$100,000 shoreline planning consultant budget to the Town-wide Zoning Bylaw Update project, for the purpose of addressing shoreline zoning and land use matters associated with the Lake Drive Shoreline Action Plan.
