Street sweeping

Spring street sweeping operations take place each spring to remove winter sand from Town roads. Street sweeping occurs weekdays from 7 a.m. to 7 p.m., weather dependent. Residents are asked to sweep unwanted sand from their driveways and sidewalks, over the curb and onto the edge of the road for removal by the street sweeper. Avoid parking on Town streets when sweepers are working in your area to allow the equipment to properly sweep the roadway in its entirety. Your cooperation is appreciated. For more information on street sweeping operations, contact Customer Service at 905-476-4301.
