GFL will pick up bulky items such as a mattress. Questions? Contact customer service at 905-476-4301 or GFL at 1-866-421-5625. Visit georgina.ca/WasteandRecycling for more.

Stormwater Pond Safety

Stormwater management ponds are NOT to be used for skating. They are not intended or designed for recreational use as water levels can change rapidly and create unsafe conditions. This is extremely dangerous and poses many safety risks for residents. For more, visit georgina.ca/StormwaterPond.

Town's response to latest COVID-19 measures by province

The Town of Georgina has closed the natural outdoor skating rink and the municipally maintained toboggan hill at the ROC. The closure is in response to the latest COVID-19 measures from the Province of Ontario for a minimum of 28 days. Georgina parks, trails, and playgrounds remain open for permitted activities such as tobogganing, cross country skiing, snow shoeing and walking. Residents must follow all health and safety measures as outlined by the province. Outdoor organized public gatherings and social gatherings will now be restricted to a limit of five people with limited exceptions. The Town has closed all temporary neighbourhood rinks based on the stay-at-home provincial order. The Town recognizes the commitment and efforts of volunteers who work on these, with the hope they will be able to reopen in the future after the 28-day shutdown. To learn more, visit georgina.ca/COVID-19.

Recreation Pefferlaw Ice Pad

The Pefferlaw Ice Pad (PIP) remains open. It is an artificial outdoor ice surface and controlled environment with strict capacity limits. All participants are required to complete a health screening and pre-book skating sessions in advance. Public skating is the only permitted activity at the PIP, with hockey and shinny games not allowed (no sticks and no pucks). Physical distancing of two metres must be maintained and masks/face coverings are required to be worn at all times. The Town will continue to evaluate the PIP and make changes as required.
