Daylight Saving Time

It's almost time to spring forward! The clocks go ahead one hour at 2 a.m. on Sunday, March 14 as we make the change to Daylight Saving Time. As you change your clocks, remember to change the batteries in your smoke and CO alarms. To learn more about fire safety, visit georgina.ca/fire.

Stormwater Pond Safety

Stormwater ponds are not to be used for skating. They are not intended or designed for that kind of activity as rapid temperature changes, snowfall and rain make them unsafe for any recreational activities. This is extremely dangerous and poses many safety risks for residents. For more, visit georgina.ca/StormwaterPond.

The ROC

With the announcement of a vaccination clinic in Georgina, the Town's priority moving forward will be supporting the clinic. As recreation staff work toward this new priority, the tube and terrain hill at the ROC will remain closed for the rest of the winter season. The balance of the ROC property, including the toboggan hill, will remain open for permitted use. The toboggan hill at the ROC is open. Residents are asked to adhere to the posted safety protocols.

Load restrictions on Town roads March 1 to May 15

Every spring, between March 1 and May 15, there is a load restriction to five tons per axle on Town roads. The reason for the load restriction is that with the warmer weather, the roads become soft, and vehicles travelling with loads larger than the limit could potentially cause damage. For more information, call 905-476-4301 or visit georgina.ca/roads.
