There will be music, giveaways, attractions and more. Registration will be required for this event. Visit georgina.ca/events for more information.

Public water taps survey

The Town is seeking feedback on the replacement of its public water taps to help inform the design of a new permanent system. Members of the public are asked to take a survey to provide information on how they currently use the taps (or have used) and what enhancements they would like to see. The survey is open online. Hard copies can also be found at the Georgina Public Library branches or input can be provided by calling Service Georgina at 905-476-4301 during business hours. The survey closes Feb. 22. Visit georgina.ca/WaterandWastewater for more.

The ROC

The ROC is open seven days a week. Two-hour tickets must be purchased online in order to visit. Season pass holders will not be required to reserve tickets online (excluding the Family Day weekend), however, everyone is required to check in at the outdoor ticket office window upon arrival. The chalet is open. To dine in the chalet, visitors over 12 years of age will be required to show a proof of vaccination QR code. Take-out options are still available. For more information, visit georginaroc.ca.

Snowshoe lending program

The ROC has launched a free snowshoe lending program. Take an adventure through the forest with your family as you hunt for yetis on the marked trail system. You will get badges for each yeti you find. Suitable for all ages. Pre-registration is required. For more information and to register, visit georginaroc.ca.

Pefferlaw Ice Pad

The Pefferlaw Ice Pad (PIP) is open for the season. Registration is not required and there is no admission charge. Visit georgina.ca/skating for more information.

Stormwater Pond Safety

A reminder for residents – stormwater ponds are not to be used for skating. They are not intended or designed for recreational use as water levels can change rapidly and create unsafe conditions. This is extremely dangerous and poses many safety risks. For more, visit georgina.ca/StormwaterPond.

Ice fishing and parking

Planning some ice fishing? Remember to check with ice hut operators on ice conditions before heading out. If you are looking for parking, the pay-and-display parking lots at North Gwillimbury, Willow Beach, De la Salle and Jackson's Point Harbour are open, and parking in those lots is free in the winter. While Holmes Point parking is available free to current resident permit parking pass holders, non-resident visitors may be subject a nominal parking fee. There is also parking in south Keswick at Adeline Park and Young's Harbour. There is no parking allowed on most of Lake Drive and the surrounding streets. For more information, visit georgina.ca/parking.

Georgina is heating things up with Taste of Georgina, a prix-fixe food event that will awaken your taste buds and allow you to explore a variety of local restaurants.
