A list of retail distributors will be available on the Town's website. Residents can put up to a maximum of five bags/items of garbage out, two free and three paid. Fire and Rescue Services

The season for campfires is here. Georgina Fire and Rescue Services allow residents to have fires for a variety of reasons. Some require a permit. Residents can have a recreational fire as long as it is no larger than 2' x 2' and it must be at least 23' away from anything that can burn as well as property lines. A recreational fire does not require a permit. A permit is needed for open-air burning. This is any fire set outside, other than cooking food on a small grill. Having a fire larger than 2' x 2', burning brush/branches/stumps or burn barrel fires are examples of open-air burning. To learn more, visit georgina.ca/BurnPermit.

Fire Services review

The Town of Georgina and the Town of East Gwillimbury have partnered to review fire and emergency services. The objectives of the project are to determine efficiencies and modernization opportunities. A survey has been created to get feedback from each community. As well, a virtual public information session is being held in Georgina on Wednesday, June 29 at 7 p.m. To take the survey and register for the virtual session, visit georgina.ca/FireServicesReview.
