### Ice fishing

Still doing some ice fishing? Remember to check with ice hut operators on ice conditions before heading out. A reminder all ice fishing huts must be removed from Lake Simcoe by March 15. For more information, visit [ontario.ca/icefishing](http://ontario.ca/icefishing).

### Load restrictions on Town roads

#### March 1 to May 15

Every spring, between March 1 and May 15, there is a load restriction to five tons per axle on Town roads. The reason for the load restriction is that with the warmer weather, the roads become soft, and vehicles travelling with loads larger than the limit could potentially cause damage. For more information, call 905-476-4301 or visit [georgina.ca/roads](http://georgina.ca/roads).

## Town lifting proof of vaccination requirements and capacity limits

In response to the provincial announcement on Feb. 14, 2022, the Town is lifting some public health measures at indoor recreation facilities. Effective March 1, 2022, proof of vaccination is no longer required and capacity limits have been lifted. Face coverings in indoor public settings and maintaining physical distancing remains in place, with exceptions for people participating in specific recreation programs.
