(3) Notices of Motion regarding Mossington Wharf - Council Agenda
October 23, 2019.

A. Mossington Wharf Repairs

WHEREAS the Town of Georgina is committed to providing maintained and enhanced public access to and from Lake Simcoe;

AND WHEREAS since its construction in 1954, Mossington's Wharf, a former Federal Department of Fisheries and Oceans Small Craft Harbour, has provided public access to and from Lake Simcoe and the Black River;

AND WHEREAS in 2018 the Town took over ownership and responsibility for Mossington's Wharf and received federal grant monies in the amount of \$770,000 to conduct necessary wharf repairs and dredging;

AND WHEREAS Resolution No. C-2018-0585 #2 directed staff to complete the transfer agreement with Fisheries and Oceans Canada to include wharf repairs and channel dredging dependent upon funding being provided by the Department of Fisheries and Oceans Canada, Small Craft Harbours Branch, in the amount of \$770,000;

AND WHEREAS Resolution No. C-2019-0466 and Resolution No. C-2019-0467 directed staff to upgrade the current fencing system, continue on-site monitoring of the wharf, replace or reface the Fisheries and Oceans Canada signage, install appropriate safety signage and equipment and to investigate the liability and costs associated with removing the wood decking on the wharf and leaving it as a break wall, and to report back to Council prior to the Waterfront Master Plan Strategy;

BE IT THEREFORE RESOLVED that staff be directed to investigate the feasibility and cost to complete necessary repairs to the least damaged southern portion of Mossington's Wharf, utilizing what can be salvaged from the northern portion of the wharf;

BE IT FURTHER RESOLVED that staff be directed to report back to Council prior to commencement of Phase One of the Waterfront Master Plan Strategy.

B. Mossington Wharf Dredging

WHEREAS the Town of Georgina is committed to maintained and enhanced public access to and from Lake Simcoe;

AND WHEREAS the Black River, with former Federal Department of Fisheries and Oceans, Small Craft Harbours, at both its mouth and its navigation terminus at the dam in Sutton, has traditionally provided public access to and from Lake Simcoe by motorized watercraft;

AND WHEREAS the only municipal public boat launch in the area is located on the Black River upstream from the affected area;

AND WHEREAS only a small portion of the channel at the mouth of the Black River along the northern part of Mossington's Wharf has been rendered virtually impassable to powered watercraft due to littoral drift, sand build-up and subsequent shallow water levels;

AND WHEREAS dredging this small portion of the channel to the depth of five feet is all that is required to allow access by a loaded work barge and restore safe navigation by motorized watercraft;

AND WHEREAS as per Resolution No. C-2017-0585, in 2018 the Town of Georgina took ownership and responsibility of Mossington's Wharf and associated water lots and received Federal grant monies of \$770,000 to do any necessary restorative works including dredging;

BE IT THEREFORE RESOLVED that staff be directed to investigate the feasibility of, and cost associated with, dredging to a depth of 5 feet only the portion of the channel along the northern part of Mossington's Wharf which is most negatively impacted by the effects of littoral drift and least likely to contain high levels of contaminants;

BE IT FURTHER RESOLVED that staff be directed to report back to Council prior to the commencement of Phase One of the Waterfront Strategy.

Moved by Stephen Parker, Seconded by Andy Adams

RESOLUTION NO. GWAC-2019-0022

That the Georgina Waterways Advisory recommends Council direct staff to investigate the most expeditious, cost-effective action to restore the navigability at the mouth of the Black River acknowledging Mossington Wharf as a significant asset. Furthermore, that the Committee recommend an investigation to assess an optimal way to maintain navigability once established.

Carried.

12. CLOSED SESSION, IF REQUIRED - *None*

13. MOTION TO ADJOURN

Good morning all staff,

The Town is currently undertaking an initiative to better understand the state of connectivity across Georgina. The information collected from this process will help us determine what role the Town should play in the provision of broadband and what steps are required to fulfill that role.

How can I participate?

If you live in Georgina, we encourage you to fill in the Town's [speed test survey](#). The survey should be completed from your home address. The survey is open from Nov. 1 – Nov. 30. Please be sure to share this with your neighbours as well!

Where can I learn more?

Find out more about the broadband initiative by visiting georgina.ca/broadband or contact [Shawn](#) (x2325) or [Rebecca](#) (x2305) in the Office of the CAO.

On behalf of,

Corporate Service Delivery Excellence
