## Georgina Town Council April 27 – Special Council meeting

### **Keswick Secondary Plan Review – Keswick Secondary Plan Draft 2**

Council held a public meeting under the Planning Act concerning Draft 2 of the Keswick Secondary Plan. The Keswick Secondary Plan Review is an update of the current secondary plan, which was approved in 2004. The primary purpose of the plan is to manage future growth and development in a coordinated fashion. The review proposes to update the plan to conform to the York Region Official Plan and provincial policy, and establish a roadmap for the development of Keswick to 2041. Council received a presentation from staff and the project consultant as well as comments from residents and stakeholders on Draft 2 of the plan which is still under review and available for public comment. Council adopted a resolution endorsing the recommendations of the staff report, which set out the next steps in the process. This includes staff returning in in July/August 2022 with a report to be considered at a public meeting and open house which addresses all the comments received and includes recommendations on a proposed Keswick Secondary Plan for Council's consideration.
