Georgina Town Council Feb. 2, 2022

Request for single source award of landfill monitoring, reporting and closure plan update assignment

Council approved the single source award to AECOM Canada Ltd. to provide the annual environmental monitoring and biennial report required for the closed solid waste landfill site at 23068 Warden Ave. for a five-year term beginning in 2022. This contract will ensure the continuity of the environmental site monitoring and reporting to the Ministry of Environment, Conservation and Parks.

Windrow clearing pilot program update

Council approved ending the application process and limiting the number of applicants for the pilot windrow snow clearing program to the maximum number received as of Feb. 2, 2022. Staff will report back to Council at the end of the current winter season with a summary of all costs and recommendations for modifications to the pilot program. The pilot program provides driveway windrow clearing services for approved applicants based on age or disability criteria. The service is limited to clearing snow from the end of residential driveways for one-car width following a snowfall event greater than three inches (7.5 centimetres).
