## Georgina Town Council March 30 – Special Council meeting

### **Zoning by-law conformity exercise – Phase 1 update – draft countryside zoning by-law**

Council considered a staff report concerning the draft Countryside Zoning By-law that has been released for public comment. It addresses the zoning for the countryside area of the Town and is part of a two-phase process to bring the Town's Zoning By-law into conformity with the Official Plan as required by the Planning Act. The second phase relating to the zoning for Town's Settlement Areas will start in 2023. Council adopted a resolution endorsing the Draft Countryside Zoning By-law as a basis for refinement into a proposed Countryside Zoning By-law that will be considered at a public open house and public meeting planned in June. Council further authorized staff to prepare a proposed amendment to the Town Official Plan to enable the proposed Countryside Zoning By-law to include provisions allowing for an additional dwelling unit in a detached accessory building as required by the Planning Act.

### **Additional Council Information**
