- a. Proposed Town Initiated Zoning Bylaw Amendment respecting Cannabis Production Facilities (7:00pm)

TOWN OF GEORGINA

Planning Division File No. 0.3.05BQ

Planner is Tolek Makarewicz

Report No. DS-2020-0028

Tolek Makarewicz advised as follows;

- Hugh Handy is a Land Use Planner from GSP Group representing Gary Foch re: Cannabis zoning by-law and the development property at 26037 Woodbine Ave. Mr. Handy thanks the Planning staff and Harold Lenters.
- Mr. Handy indicates they believe this would be an appropriate location for a Cannabis facility.
- Gary Foch indicates he is here for any questions the staff or Council might have.
- Harold Lenters indicates they are open to hearing the proposal but there are 2 pieces to this: If the current zoning of the land lends to conformity with the Official Plan and if the zoning should be through a minor variance or if it requires a zoning amendment presented through Council; these factors would be determined by the scope, the scale, and the size of the project. Mr. Lenters recommends putting together a concept of what they would like to construct for a Cannabis facility.
- Councillor Neeson promotes the economic development opportunities that the Cannabis facilities will create.
- Regional Councillor Grossi inquired about the 30% restriction and confirmed if someone wanted to increase the size they could apply for a minor variance.
- Regional Councillor Grossi requests the Town re-consider the retail sale of Cannabis.
- Mr. Lenters indicates this report is different than the retail sales and recommends creating a staff report.
- Madam Quirk requests a recommendation from staff come back with a report that looks at the Cannabis shop's in York Region and Ontario. Mayor Quirk would like to refer this to go to Agricultural Committee; Mr. Makarewicz will present this to them and get comments on the by-law.
- Mr. Lenters suggests approving the by-law and wait for the adoption of the by-law pending comments from the Agricultural Advisory Committee. A briefing memo will be presented to Council to give any suggestions to the by-law.
- Councillor Sebo enquired if the new by-law has been thoroughly reviewed by the Town Solicitor. Mr. Makarewicz confirmed it has been reviewed by the Town Solicitor.
- Councillor Fellini requested staff create a report about how other municipalities are dealing with the brick and mortar Cannabis stores. That it would be useful to see what changes have been made.

1. Notice of Motion respecting Maple Lake Estate Lands

Moved by Councillor Neeson

Seconded by Councillor Waddington

1. Whereas on March 22, 2018, the Council of the Town of Georgina unanimously adopted a motion from Councillor Dave Neeson with regards to the Maple Lake Estate lands which stated in part that the Town of Georgina requests the Lake Simcoe Conservation Authority (LSRCA):
 - The Lake Simcoe Region Conservation Authority (LSRCA) exercise its mandate to conserve and protect the environmentally significant Paradise Beach – Island Grove lands for the future health of Lake Simcoe and its surrounding communities.
 - That the LSCRA decline to issue a section 28 permit on the Maple Lake Estates property.
 - And further, that the Council of the Town of Georgina hereby declares that should the Board of Directors of the Lake Simcoe Region Conservation Authority issue a section 28 permit for the Maple Lake Estates lands, that the Town of Georgina will consider all of the options at its disposal which may include taking legal action.
2. Whereas contrary to the above, on March 23, 2018, the Lake Simcoe Region Conservation Authority (LSRCA) approved a Section 28 permit for the DG Group on the Maple Lake Estates lands.
3. Whereas on November 9, 2018 the Town of Georgina had to issue a stop work order to the DG Group after the company started clearing forest areas on the Maple Lake Estate (MLE) lands illegally and without a permit from the Town and in blatant non-compliance with the section 28 permit.
4. Whereas on December 19, 2019 the Province of Ontario's Local Planning and Appeal Tribunal (LPAT) ruled and ordered that the Official Plan of the Town of Georgina was amended to reflect that virtually all of the Maple Lake Estates Lands (MLE) were to be designated as an "Environmental Protection Area".
5. Whereas on May 14, 2020, the Province of Ontario's Local Planning and Appeal Tribunal (LPAT) denied the Maple Lake Estates (MLE) request for a review of its December 19, 2019 decision.

6. Whereas the Section 28 permit issued in 2018 expired on July 3, 2020 and subsequently, the DG Group submitted a new permit application on June 11, 2020 whereby the Lake Simcoe Region Conservation Authority (LSRCA) on June 18, 2020 issued a 2-year replacement permit effective from June 18, 2020 to June 18, 2022.
7. Whereas the Town of Georgina is currently undertaking a comprehensive zoning review which includes the aforementioned Maple Lake Estates (MLE) lands to ensure for conformity with regard to its Official Plan.

NOW THEREFORE BE IT RESOLVED that the Council of the Town of Georgina:

- a. Requests that the Board of Directors of the Lake Simcoe Region Conservation Authority rescind the s. 28 permit for the Maple Lake Estate Lands.
- b. Reaffirms its position of March 22nd, 2018 that the Town of Georgina will continue to consider all of the options at its disposal which may include taking legal action including but not limited to the challenging of the validity of the aforementioned section 28 permit.
- c. Directs its relevant staff to update the “Maple Lake Estates dedicated web page” to reflect all of the above findings of fact and further referenced decisions of the LPAT, the stop work order on the Maple Lake Estates property referenced herein, its intention to conduct a zoning review and any other relevant information including all relevant decisions of Council.

Councillor Waddington suggested the wording of the above-noted motion be written in the future tense, as a friendly amendment to the motion.

Discussion on Item 14.1 was suspended pending Council dealing with Briefing Note, Item No. 13.2.2.1, concerning LPAT Request for Review Decision concerning Maple Lake Estates.

13.2 General Information Items

13.2.2 Briefing Notes

- 13.2.2.1 LPAT Request for Review Decision regarding Maple Lake Estates Lands (LPAT Case No. PL161206), and memo from Marie Hubbard respecting Ontario Land Tribunals

- LPAT review request was dismissed based on the fact that there was no convincing or compelling case that there was an error warranting a review exercise
- The decision issued in December 2019 remains in place; appeal was allowed in part wherein the Town is required to re-designate Maple Lake Estate lands from the current designation of 'Urban Residential' to 'Environmental Protection', in addition to associated lands of the Provincial Policy Statement as a Vegetation Protection Zone. Staff have made the pertinent changes in the Official Plan and is obligated to bring its zoning bylaw into conformity with the Official Plan over a three-year period.
- formation of a new organization that will include the Local Planning Appeal Tribunal (LPAT), Environmental Review Tribunal, Board of Negotiation, Conservation Board Review and the Mining and Lands Tribunal. The Assessment Review Board will remain a part of Tribunals Ontario. There will not be any changes to the land use planning.
- As of July 1, 2020 the fees for filing appeals with LPAT will increase but the process will remain the same.
- a pre-budget submission was suggested for September 9th Council to help out with the re-zoning to save some time for the RFP's.
