Win It in a Minute – Family Game Night

Here are some great games to play with the family – challenge your family members to Win it in a Minute!

For each game, give each participant 1 minute to complete the task at hand. If they complete it in under a minute, they win! Whomever has the most amount of “wins” is the winner!

Try one of these fun games at home tonight!

1. Marshmallow Mayhem

You will need two bowls, two cups, two large straws and about 100 small marshmallows

Whomever gets the most amount of marshmallows in their cup at the end of the 60 seconds is the winner!

2. Ball Over Troubled Waters

You will need 1 ping pong ball (or you can also use any hollow plastic ball), 3 red solo cups and water. Try and skip the ball over the three cups full of water without going over the edge to win! Finish it before your 60 seconds are up and you're the winner!

3. In 60 Seconds or DICE!

You will need a bowl, chop sticks (you can also use straws or popsicle sticks) and 12 dice.

Move your dice from the floor to the bowl in under 60 seconds to win!

4. Slip Out

You will need 4 red solo cups and 3 square sheets of paper. Stack the red solo cups on top of the sheets of paper. See if you can yank the papers out from between the cups without knocking them down. Good Luck!!
