Tonight Make Pizza Quesadillas for Dinner!

Ingredients:

- 4 8-inch white or whole wheat tortillas
- ½ cup of shredded mozzarella cheese
- 2 tablespoons grated Parmesan cheese
- ½ cup of salsa (mild works best!)
- 1 cup of diced pepperoni
- Olive Oil (for brushing on top)
- ½ cup of diced red or green pepper (or mix both!)
- ½ cup diced white cooking onion

Directions:

1. Prepare two baking sheets lined with parchment paper.
2. Pre-heat your oven to 425 degrees F.
3. Assemble your quesadillas by laying two tortillas on each of the baking sheets.
4. Sprinkle each tortilla with each ingredient in layers; suggest spreading the salsa first, then adding the cheese and remaining ingredients.
5. Next, lay the remaining tortillas on top of each.
6. Lightly brush olive oil on each of the top layer tortillas.
7. Bake at 425 degrees F for 15 minutes.
8. Once you take them out of the oven, let them cool for a few minutes and then cut them into triangles.
9. Dip in sour cream for extra flavour!
10. Makes 8 to 10 servings. Enjoy!
