### 1. CLEARWATER FARM

ClearWater demonstrates how growing healthy food is also good for the surrounding land, water, local economy and community. The farm also showcases water-wise and nature-friendly practices and technologies to help others discover eco-friendly choices.

- Seasonal produce samples
- Walking tour of the farm
- Kids activities

### 2. HAMILTON FARM

The farm offers a variety of produce, cheese, eggs, meat products and sun flowers.

- Farm fresh produce
- Vegetable preservation information
- Pollination importance education
- Vegetable patch tours

### 3A. CLOVERHILL FLOWERS

A speciality cut flower farm that uses chemical-free, sustainable farming methods.

- Flower field tour
- Educational workshops
- Edible flower samples
- Cut flowers for sale

### 3B. HIVESHARE

Created for people to enjoy unique, local, unpasteurized, artisanal honey from the nectar of the vast variety of plant life in the gardens, fields and wildflowers found in Georgina.

- Live bee colony
- Fresh honey samples
- Honey products sale
- Pollinator education

### 4. HOLTROP FARMS

The farm offers fresh corn, tomatoes, pumpkins and squash and is open from August to mid-November.

- Tractor and farm machinery display
- Corn and tomato workshops
- Fresh produce sale

### 5. HOMESTEAD ORCHARDS

One of Georgina's longest operating pick-your-own produce farms with a family-friendly environment and a fresh bakery on site.

- Free wagon tours (until 4p.m.)
- Fresh produce samples
- Kids play area
- Tasty baked goods

### 6. HUTCHINGS FARM

Located in Pepperlaw, Hutchings Farm offers a variety of products such as eggs, chicken, turkey, lamb and seasonal vegetables. You can also learn to make salad jars.

- Sheep in pasture
- Fresh seasonal produce samples
- Farm gate sales
- Tours and workshops

### 7. VICTORIAN FARM

Victorian farm takes pride in old fashioned farming. Purchase free range chicken eggs year round at their farm gate sale.

- Free range eggs
- Chickens and ponies
- Decorative gardens

#GROWNINGGEORGINA

## 8. ELMGROVE FARM COLLECTIVE

Grows a large variety of seasonal vegetables and offers fresh eggs from free range chickens year round.

Cultivating Opportunities is a small-scale, organic farming operation. Our goal is high-quality produce, grown using sustainable and soil-enhancing practices.

The Cutting Veg encourages healthy lifestyles for families and the planet with the Global Garlic Project, growing organic produce for box-program providers and by providing opportunities for the community to learn through volunteering.

Frall Foods distributes locally grown food to families and individuals around the GTA.

- Farm tours and workshops
- Farmers' market
- Livestock display
- Bee colonies

Possibility grows here.
