## 2019 Town of Georgina Budget Highlights

Georgina Town Council approved its 2019 Tax Rates on June 19, 2019. When combined with the Regional and Education tax increases, the overall impact results in an increase of 3.02% or \$113.96 for the average home with a current value assessment of \$377,710.

The 2019 Budget has \$103.7 million in expenditures, which includes \$70.9 million in operating expenses and \$32.8 million in capital expenditures. Funding sources for the tax levy supported expenditures are derived in part by revenues generated by user fees, permits and licences, federal and provincial grants, Federal Gas Tax and development charges. This year, Georgina will receive \$1.4 million in Federal Gas Tax Funding.

### Property Tax Payment Options:

Payments can be made by telephone/internet banking, at any bank or in person by cash, cheque or direct debit at the Civic Centre.

### Monthly Pre-Authorized Payment Plan Information:

Paying your property taxes through the pre-authorized payment plan is a very convenient method for many people. There is no worry about paying the installments by the due date and it simplifies monthly budgeting.

### Plan Highlights:

We withdraw 12 payments per year. Payments are made on the first or the 15th banking day of the month. There is no service charge for participating in the plan. You can sign up at any time during the year. Your monthly payment will change twice a year in January and July. From January to June, we withdraw six equal payments based on your previous year's taxes. From July to December, we withdraw six equal amounts to pay the balance owing. If your taxes are not up to date, you can still sign up for the plan. We will calculate a payment to pay your arrears plus the current taxes. Penalty and interest is added to your account until it is current. Installment plan payments will be taken on the installment due dates (four times per year).

### Highlights of the 2019 Operating Budget include:

- A fire rescue boat will be purchased in partnership with the Chippewas of Georgina Island.
- Parking lot improvements to the Sutton Arena, the Link, Udora Community Hall and Belhaven Community Hall.
- Road construction projects improving sections of the Queensway, Simcoe Street, Stoney Batter Road, Church Street and Shorecrest/Shoreline Road.
- A Corporate Sponsorship Strategy that will be 100 per cent recoverable providing revenue opportunities associated with assets.
- A Waterfront Park Strategy to enhance the opportunity for residents and visitors to enjoy the waterfront.
- The replacement of aging defibrillators in Town facilities to ensure safety is at the forefront.
