

AREA SPECIFIC DEVELOPMENT CHARGES Queensway East & West Service Area

The Town of Georgina has completed a Background Study for the purpose of establishing a new Area Specific Development Charges By-law. The Background Study can be found online at Georgina.ca

Development Charges (DC) are charges imposed on development in municipalities in Ontario to fund growth-related capital costs. DCs pay for new infrastructure and facilities to maintain service levels.

The following list of dates have been established to facilitate the Background Study and By-law process. *Please note that each of the listed meetings will be held in the Council Chambers at the Civic Centre and are open to the public.*
