

# RECREATION AT HOME

## Frozen Dinosaur Eggs

### Materials Needed:

- Plastic dinosaur toys (you can also use any plastic toys you have at home)
- Regular size balloon
- Desired tools

### Instructions:

1. Place your plastic toy inside the balloon
2. Fill the balloon with water
3. Tie a knot in the balloon to keep the water and toy inside
4. Place balloon in the freezer for 24 hours
5. After 24 hours, take the balloon out of the freezer and peel off the balloon
6. Use your desired tools to get your plastic toy out of the ice
