

Come Celebrate with Us!

We will be celebrating Sutton's 125<sup>th</sup> anniversary in 2016 and we would like you to join the festivities. An organizing committee has been established and plans are currently underway to deliver year-long celebrations throughout Sutton and Jackson's Point to commemorate this historical milestone.

As you begin to plan your annual community events for 2016, we are inviting you to:

1. use the attached 125<sup>th</sup> Anniversary logo in your promotion plans
2. use your imagination to include Sutton historical themes for your events
3. consider sponsoring our planned community-wide celebrations (more information on these will be forthcoming)
4. send us your 2016 calendar of events to be included in our promotion vehicles and strategies

It is our hope that all Sutton/Jackson's Point service clubs, not-for-profit organizations and businesses will help us make 2016 a memorable year and your participation to help us build momentum and excitement will be critical to its success.

Please keep us informed of how your group plans to celebrate this momentous occasion throughout 2016. And, please stay tuned for more information as our planned community-wide activities evolve and are confirmed. It's going to be exciting and we look forward to your partnership.

Sincerely,

Melissa D. Matt,  
The Sutton 125<sup>th</sup> Anniversary Organizing Committee
