HELP US UPDATE GEORGINA'S OFFICIAL PLAN

OFFICIAL PLAN REVIEW PUBLIC WORKSHOP #2

The Town of Georgina is in the process of preparing an update to its Official Plan. An Official Plan is a long range planning policy document. The Official Plan Review will focus on guiding principles and objectives, growth management and sustainability strategies, and the overall policy framework for land use within the area subject to this review, which is shown on the key map below.

You are invited to participate by attending the Public Workshop to be held:

Monday, March 24, 2014
7:00-9:00 PM
The ROC Chalet
26479 Civic Centre Rd, Georgina

Building on the outcomes of the visioning, objectives, and guiding principles discussion at Public Workshop #1, this workshop will be designed to help identify the planning policy directions that need to be considered for inclusion in the Official Plan. The Public Workshop will begin with a brief presentation of the background research and public input received to date. Participants will then be organized into smaller groups to discuss and provide input on specific policy directions.
