

**Keswick Secondary Plan Review  
Invitation to Public Workshop #1**

**Help us Update the Keswick Secondary Plan**

The Town of Georgina is reviewing the Keswick Secondary Plan. Over the next year, the plan's vision, goals, objectives, policies and mapping which manage growth and development within Keswick will be revised. The goal is to update the plan to reflect changes to provincial and regional planning policy in order to ensure the development of a vibrant and thriving community where residents can live, work and play. The land subject to the review is shown below on the key map.

Join us to share your thoughts and ideas for the future of Keswick. For your convenience, two identical workshop sessions are being held, each including a presentation, followed by round-table group discussions:
