

## **GEORGINA** Short-term Rental Accommodation (STRA) Q & A's

### **Q. Can I operate a STRA in Georgina?**

A. There are two main requirements your property has to fall within in order to be permitted to operate a STRA –

- Is your property a single-family dwelling?
- Does your property have a minimum of three parking spaces, plus one additional parking space per guest room?

If you answered yes to both questions, then your property is within the definition of a short-term rental accommodation and you can make application for a STRA licence.

---

### **Q. Can I own two properties in Georgina and have two STRA licences?**

A. Yes you can own two properties, however, you are required to apply for two STRA licences.

---

### **Q. Do I have to live in my house if I want to operate a STRA?**

A. Yes, you or your representative will have to inhabit the dwelling unit, or any part thereof, on the same premises as the STRA; except if the STRA Committee under a Variance Application approves a designated offsite host.

*"Host" means any individual, who is not a renter, designated by the applicant or licensee to be contacted by the Town regarding any concerns related to the Short-term Rental Accommodation.*

---

### **Q. Can my current tenant rent out my STRA?**

A. Yes, but only with written consent from the homeowner.

---

**Q. What if my neighbour has a licensed STRA, can I still apply?**

- A. You can apply for a licence, however, the STRA by-law states that there shall be a minimum separation distance of 100 metres between STRA's. If you are within the 100 metres, you can submit a variance application where the Short-term Rental Accommodation Committee will review the request.
- 

**Q. Is there a cap on the number of STRA licences?**

- A. Yes, the number of active STRA licences shall not exceed 150 at any given time.
- 

**Q. What do demerit points mean?**

- A. The Demerit Point System was established to keep track of all contraventions and allow enforcement of the by-law. It provides reassurance to neighbours that if there is a problematic STRA in their neighbourhood, the STRA licence could be suspended or revoked based on the amount of demerit points.
- 

**Q. How many demerit points would a STRA have for the licence to be suspended or revoked?**

- A. A STRA licence may be suspended for a period not longer than six months if the total demerit points is at least seven and a STRA licence may be revoked if the total demerit points is at least 15.
- 

**Q. What are the fees for a STRA licence?**

- |                      |         |
|----------------------|---------|
| A. New Application   | \$250   |
| Renewal Application  | \$150   |
| Septic Inspection    | \$106   |
| Occupant Load Review | \$158   |
| Fire Inspection      | \$122   |
| Committee Appeal     | \$500   |
| Variance Application | \$1,400 |
- 

**Q. How long is my STRA licence valid for?**

- A. Your STRA licence is valid for one year and will expire the year after the licence was issued.
-

**Q. What documents are required for a STRA licence?**

A. The following documents are required:

- STRA application
  - Proof of ownership
  - Proof the applicant is at least 18 years of age
  - Rental agreement between owner and host (if applicable)
  - Rental agreement between the applicant (tenant) and owner (if applicable)
  - Corporation, Articles of Incorporation, partnership documents (if applicable)
  - Site plan
  - Floor plan
  - Proof of current \$2-million liability insurance
  - Licence fees
- 

**Q. What if there are 150 licences and I want to get a licence?**

A. There will be a waiting list. Each completed application received will be date stamped and when a licence is made available, staff will contact the next available application. Based on the area of existing STRA's, the applicant on the waiting list may have to apply for a variance in order to operate within the 100 metres of an existing STRA. If the applicant next in line does not want to continue with the application, staff will contact the next application on the waiting list.

---

**Q. Will notification be made to surrounding neighbours when a STRA application is submitted?**

A.

- If the application is new (without a variance)? Notification is not required.
- If an application has a variance? Notification will be sent to neighbours within 100 metres of the STRA.
- If an application has an appeal? Notification is not required.

## **Short-term Rental Accommodation Demerit Point System**

- (1) The Demerit Point System is overseen and regulated by the STRA By-law, any other by-laws of the Town, Provincial Act or Regulation including, but not limited to, actions pursuant to the Building Code Act, Fire Protection and Prevention Act, and the Provincial Offences Act.
- (2) A licence may be suspended for a period not longer than six (6) months if the total Demerit Points in effect respecting a Short-term Rental Accommodation is at least seven.
- (3) Notice of the suspension, refusal or cancellation of a licence shall be provided to the Applicant or Licensee in accordance with Section 7 of this By-law and an Applicant or Licensee may appeal in accordance with Section 11 of this By-law.
- (4) A licence may be revoked if the total of all Demerit Points in effect respecting a Short-term Rental Accommodation is at least fifteen (15).
- (5) Demerit Points shall remain in place until the two (2) year anniversary of the date of which the Demerit Points were assessed.
- (6) The Town shall not be liable for economic or other losses claimed by a Licensee for any reason, so long as good faith efforts were made by the Town or its representatives in exercising their judgment, or fulfilling their responsibilities, under this By-law.

### **Enforcement Clarification**

An Order is when an Officer has reasonable grounds to believe that a contravention of the By-law has occurred, the Officer may serve an order on the Licensee setting out the reasonable particulars of the contravention and directing when the required work must be completed.

Part 1 offences are commenced by Certificate of Offence. The Provincial Offences Officer serves the defendant with the offence notice or summons and then files the certificate of offence in the court office.

Part III defendants are charged by way of Information. Typically, the defendant will be charged with failing to comply with an Order to Comply. This is a request/requirement that the defendant comes into compliance with a specific by-law (Property Standards, Short-term Rental Accommodation or sections of the Building Code Act).

## **APPENDIX 'A' TO BY-LAW # 2019-0061 (LI-3)**

### **SHORT-TERM RENTAL ACCOMMODATION**

### **Renter's Code of Conduct**

#### **1. Purpose of the Code**

The purpose of the Renter's Code of Conduct is to acknowledge that Short-term Rental Accommodation (STRA) premises are permitted in single family dwellings, and lawfully permitted and registered accessory apartments on the same lots as single family dwellings. It is also acknowledged that poor behaviour on the part of STRA renters can disrupt neighbours. Neighbouring residents have the right to enjoy their own properties without nuisance. It also outlines specific requirements for STRA and imposes responsibilities for owners, hosts and renters of such properties and that STRA Licensees bear the primary responsibility of conveying this information to renters of their property.

#### **2. Objectives of this Code**

The Objective of this Code is to establish acceptable standards of behaviour for owners, hosts and renters to minimize any adverse impacts on their neighbours and the neighbourhood.

#### **3. Residential Area**

The renter acknowledges for themselves and on behalf of others that they will be occupying a STRA that is located in a residential area.

#### **4. Guiding Principles**

The guiding principles for STRA renters are:

- The premise that you are occupying is a home;
- Treat the premise as your own;
- Respect your neighbours; and
- Leave it as you find it.

#### **5. Maximum Number of Persons on the Premises:**

The maximum number of Persons permitted at a Short-term Rental Accommodation Premises shall be limited as per Section 2(5) of the Short-term Rental Accommodation Licensing By-law.

The maximum number of Persons, including but not limited to residents, renters and their guests/visitors, permitted on a Premises at any one time, shall be

## 9. Dwellings on Lots on Private Sewage Disposal Systems:

Note if the STRA Premises are served with a private septic system. Exceeding two persons per bedroom may result in the malfunctioning of the septic system and pollution of the ground water system. The maximum number of persons for lots on private services will be determined by the Town following a sewage capacity inspection. This is of concern within 100 metres (328 feet) of Lake Simcoe and permanent streams (as discussed in the *Lake Simcoe Protection Act, 2009*.)

## 10. Fire and Occupant Safety:

All STRA shall have installed operating smoke alarms and a fire extinguisher. In STRA which have a fuel-fired appliance or solid fuel-fired appliance installed or an attached storage garage, the Owner shall ensure that the building is equipped with a **carbon monoxide alarm** installed outside of the sleeping areas. Further, the Owner shall regularly test the alarms to ensure that they are operational. If a renter discovers that any of the alarms are not operational the renter shall immediately notify the property owner of the deficiency.

## 11. Leisure Vehicle Parking:

Note: The Town of Georgina has adopted a Leisure Vehicle by-law (e.g. motor homes, boats, trailer, snowmobiles etc.) which addresses parking requirements for these vehicles. Parking requirements for Leisure Vehicles are addressed as part of the overall Parking Management Plan within the STRA By-law.

## 12. Additional Responsibilities

All owners, hosts, and renters of Short-term Rental Accommodations are responsible for compliance with all other Town of Georgina by-laws (including, but not limited to the following: Noise By-law, Waste By-law, Open Air Burning By-law, Fireworks By-law, etc.). Further, in the event of a complaint or disturbance, hosts must respond within one hour upon request of the Town.

I, \_\_\_\_\_, being the Licensee of the property

described as \_\_\_\_\_  
 having read the above, and the terms of the Short-term Rental Accommodations By-law and License, undertake to post a copy of the Renter's Code of Conduct in a clearly visible location within my Short-term Rental Accommodation for the Renters to review, and to advise them to act appropriately. I also realize that a violation of the licensing agreement may result in the suspension or revocation of the short-term rental accommodation for my property.
