

Sutton 125 Logo Use

As you begin to plan your annual community events for 2016, we are inviting you to use the attached Sutton 125 Logo in your marketing materials and promotions.

In order to ensure some consistency, we request that the Sutton 125 Logo be displayed in a prominent position on all materials you produce. As such, please make every effort to display the logo **at a minimum height of ¾ of an inch.**

We also want to keep an inventory of all of the events happening in the community this year to celebrate Sutton/Jackson's Point 125th Anniversary. If your organization has plans to celebrate the 125th Anniversary, please let us know what you are planning and send this along to Karen Palmer kpalmer@georgina.ca and Yvette Huber yhuber@georgina.ca . Both the Recreation and Culture Department and Economic Development and Tourism Division will endeavour to promote your event in any marketing materials and through our social media channels. As some of our marketing is confirmed early in the year, the earlier we have the details for your event, the better.
